LIMITED WARRANTY: IMPORTANT NOTICE TO PURCHASER

This limited warranty is made in lieu of the warranties of merchantability, fitness for particular purposes and all other warranties, express or implied. There are no other warranties which extend beyond the description on the face hereof. The physical standards and specification of Moldex will be met by products sold.

Exclusive Remedies: damages for the breach of this limited warranty are limited to the replacement of such quantity of Moldex products proved to be defectively manufactured. Except as provided above, Moldex shall not be liable or responsible for any loss, damage or liability, direct, indirect, special, or consequential, arising out of sale, use, or misuse, or the inability to use products by the user.

GARANTÍA LIMITADA: AVISO IMPORTANTE AL CONSUMIDOR

Esta garantía limitada está hecha para servir como garantía de compra, servir para cualquier propósito en particular y todas las otras garantías, expresas ó implícitas. No hay otro tipo de garantías que vayan más allá de la descripción dada en el frente de la caja. Los estándares físicos y especificación de Moldex serán cumplidos en los productos que sean vendidos por la empresa.

Exclusiones: daños ocasionados por el incumplimiento de esta garantía limitada están limitados al reemplazamiento de dicha cantidad de los productos de Moldex provistos para los productos con algún defecto de fabricación. Excepto como se describe anteriormente, Moldex no será responsable por cualquier pérdida ó daños ocasionados en forma directa, indirecta, especial ó consecucional que resulten después de la venta, uso ó misuso de la incapacidad del consumidor al usar el producto.

GARANTIE LIMITÉE AVIS IMPORTANT À L'ACHETEUR:

La garantie limitée remplace les garanties de commerce, d'adaptation à des utilisations particulières et toutes autres garanties, expresse ou tacites. La garantie se limite à la description aux présentes. Les produits vendus respecteront les normes physiques et les spécifications de Moldex. Recours **Exclusifs:** les dommages causés par la rupture de cette garantie limitée se limitent au remplacement de telle quantité de produits Moldex démontrant des défauts de fabrication. À l'exception des dispositions mentionnées ci-haut, Moldex ne sera enu responsable de perte, dommage ou obligation, direct ou indirect, spécial ou conséquent, pouvant survenir de la vente, de l'utilisation, ou de la mauvaise utilisation, ou de l'incapacité de l'utilisateur de faire usage des produits.

LIMITED WARRANTY: IMPORTANT NOTICE TO AUSTRALIAN PURCHASER

This warranty is provided in addition to other rights and remedies you have under Australian law. Our goods come with guarantees which cannot be excluded under the Australian Consumer Law. You are entitled to replacement or refund for a major failure and to compensation for other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This limited warranty is made in lieu of all other warranties, express or implied. There are no other warranties which extend beyond this limited warranty or those in the Australian Consumer Law in Schedule 2 to the Competition and Consumer Act 2010 as amended from time to time, or other similar legislation of a state or territory of Australia (Australian Consumer Law). The products sold will meet Moldex's physical standards and specifications. Subject to the Australian Consumer Law, remedies for breach of this limited warranty are limited to replacement of the number of Moldex products proved to have been defectively manufactured. Under this limited warranty, Moldex shall not be liable or responsible for any loss, damage or liability, direct, indirect, special, or consequential, arising out of sale, use, or misuse, or the inability to use products by the user, although you may have other rights and remedies under the Australian Consumer Law.

Any claim under the warranty must be made within 1 year of the date of purchase of the product. To make a claim under the warranty, take the product (with proof of purchase) to the store where you purchased the product to contact Moldex.

Moldex will pay your reasonable direct expenses of making a claim under this limited warranty which is upheld. You may submit details and proof of your expense claim to Moldex for consideration.

Antimicrobial Copper Surface Information

The turn handle touch surface on this EcoStation is made from **CuVerro® V**:

Active Ingredient:

Copper 91.3%

Other 8.7%

[Total 100.0%]

Net Weight: 0.17 ounces of CuVerro® V

The turn handle on this EcoStation has a copper touch surface that continuously kills bacteria left behind by dirty hands, killing more than 99.9% of bacteria* within 2 hours, when cleaned regularly.

Laboratory testing has shown that when cleaned regularly this surface:

- Kills greater than 99.9% of bacteria* within two hours, and continues to kill 99% of bacteria* even after repeated contamination
- Delivers continuous and ongoing antibacterial* action, remaining effective in killing greater than 99.9% of bacteria* within 2 hours.
- Helps inhibit buildup and growth of bacteria* within 2 hours of exposure between routine cleaning and sanitizing steps.
- Kills greater than 99.9% of Gram-negative and Gram-positive bacteria* within 2 hours of exposure.
- Continuously reduces bacterial* contamination, achieving 99.9% reduction within 2 hours of exposure.

**Staphylococcus aureus*, *Enterobacter aerogenes*, *Methicillin-Resistant Staphylococcus aureus (MRSA)*, *Escherichia coli O157:H7*, and *Pseudomonas aeruginosa*.

DIRECTIONS FOR USE:

It is violation of Federal Law to use this product in a manner inconsistent with its labeling.

PROPER CARE AND USE: Clean and sanitize according to standard practice. Healthcare facilities must maintain the product in accordance with infection control guidelines. The use of this surface is a supplement to and not a substitute for standard infection control practices; users must continue to follow all current infection control practices, including those practices related to cleaning and disinfection of environmental surfaces. This surface has been shown to reduce microbial contamination, but does not necessarily prevent cross contamination.

This surface may be subject to recontamination and the level of active bacteria at any particular time will depend on the frequency and timing of recontamination and cleanliness of the surface (among other factors). In order to have proper antimicrobial effect, this product must be cleaned and maintained according to the directions for use.

DO NOT WAX, PAINT, LACQUER, VARNISH, OR OTHERWISE COAT THIS PRODUCT.

Routine cleaning to remove dirt and filth is necessary for good sanitation and to assure the effective antibacterial performance of this surface. Cleaning agents typically used for traditional hard, non-porous touch surfaces are permissible. The appropriate cleaning agent depends on the type of soiling and the measure of sanitization required. Normal tarnishing or wear of this product will not impair the antimicrobial effectiveness.

Not approved for direct food contact or food packaging uses.

Items exposed to outdoor environmental conditions are not representative of indoor laboratory test conditions, and therefore, may impart reduced efficacy if not cleaned when visibly soiled.

STORAGE AND DISPOSAL: Dispose of by recycling or put in trash.

WARRANTY STATEMENT: If used as intended this product is wear-resistant and the durable antibacterial properties will remain effective for as long as the product remains in place and is used as directed.
